

# *Clover's Big Ideas*

A jigsaw puzzle of a farm scene. The puzzle pieces are arranged to show a brown cow and a white cow in a field. The brown cow is in the foreground, looking towards the camera. The white cow is behind it, looking to the left. In the background, there is a white house and a blue sky. The puzzle pieces are outlined in black.

How to make your own Clover's BIG Ideas jigsaw puzzle.

You'll need.

Paper, cardboard (any colour), scissors and glue.

1. Print page on colour printer.
2. Stick printed page on cardboard and allow to dry.
3. Ask a grown-up to help cut out the pieces.
4. Place pieces onto a hard surface and mix up .
5. Put your jigsaw together.
